## COUNTERTOP ROTISSERIE

Tempered, thick safety glass door helps keep employees and customers safe

Programming is easy with a microprocessor control panel

Perfect for delis, convenience stores and quick-serve restaurants, BKI's countertop rotisserie utilizes valuable counter space with a 'hot-hold' feature to enhance product merchandising and profitability. Serve your customers self-basted chicken, buffalo wings, turkey breasts or ribs cooked perfectly time and time again with BKI's versatile rotisserie. Excellent lighting promotes eye appeal and helps maintain optimum temperature so your customers keep coming back for more.
