

MDW MULTI-DECK WARMER

Create a grab 'n go profit center by moving deli offerings where customers are. BKI's Multi-Deck Warmer is designed to give a flexible, convenient way to take advantage of self-serve, impulse purchases. Shelves offer easy access and are individually lit to showcase an enticing array of signature items, daily specials or pre-packed meal options.

The energy efficient MDW is a versatile, multi-tier, self-serve hot case available in a variety of sizes and attractive styles with plenty of options to meet your needs. Individual preset controls for each shelf provide consistent heat and allow you to set different temperatures for different foods. BKI's MDW is designed for ease of use and includes features that ensure safe, reliable operation.
